Health & Safety Policy

The Board of Management brings to the attention of its staff the following arrangements for safeguarding the safety, health and welfare of those employed and working in the school. This policy requires the co-operation of all employees. It shall be reviewed annually or more frequently if necessary, in the light of experience, changes in legal requirements and operational changes. A safety audit shall be carried out annually by the Board of Management Safety Officers and a report made to staff. All records of accidents and ill-health will be monitored in order to ensure that any safety measures required can be put in place to minimise the recurrence of such accidents and ill-health. The Board of Management of Glinsk N.S. wishes to ensure that as far as is reasonably practical:

The design, provision and maintenance of all places in the school shall be safe and without risk to health. There shall be safe access to and from places of work.

- Plant and Machinery may be opened safely in as far as is possible.
- Work systems shall be planned, organised, performed and maintained so as to be safe and without risk to health.
- Staff shall be instructed and supervised in so far as is reasonably possible so as to ensure the health and safety at work of its employees.
- Protective clothing or equivalent shall be provided as is necessary to ensure the safety and health at work of its employees. Plans for emergencies shall be complied with and revised as necessary.
- This statement will be continually revised by the Board of Management as necessity arises, and shall be re-examined by the Board on at least an annual basis.
- Employees shall be consulted on matters of health and safety.
- Provisions shall be made for the election by the employees of a safety representative.

The Board of Management of Glinsk N.S. recognises that its statutory obligations under legislation extend to employees, students, to any person legitimately conducting school business,

and to the public. The Board of Management of Glinsk N.S. undertakes to ensure that the provisions of the Safety, Health and Welfare at Work Act 2005 are adhered to:

Duties of Employees:

It is the duty of every employee while at work:

- (a) To take reasonable care for his/her own safety, health and welfare, and that of any person who may be affected by his/her acts or omissions while at work.
- (b) To co-operate with his/her employer and any other person to such extent as will enable his/her employer or the other person to comply with any of the relevant statutory provisions.
- (c) To use in such manner so as to provide the protection intended, any suitable appliance, protective clothing, convenience, equipment or thing provided (whether for his/her lone use or for use by him/her in common with others) for securing his/her safety, health or welfare at work.
- (d) To report to the Board of Management without unreasonable delay, any defects in plant, equipment, place or work, or system of work, which might endanger safety, health or welfare of which he/she becomes aware.

No person will intentionally or recklessly interfere with or misuse any appliance, protective clothing, convenience or other means or thing provided in pursuance or any of the relevant statutory provisions or otherwise, for securing safety, health or welfare or persons arising out of work activities.

Employees using available facilities and equipment provided should ensure that work practices are performed in the safest manner possible (see section 9 of Safety, Health and Welfare at Work Act 1989).

Consultation and Information:

It is the policy of the Board of Management of Glinsk N.S. to consult with staff in preparation and completion of hazard control forms, to give a copy of the safety statement to all present and future staff, and to convey any additional information or instructions regarding health, safety and welfare at work will be considered in any future staff training and development plans.
