30th January 2019

Dear Parents,

The following is the agreed report of the Board of Management following a meeting on the 28th January 2019.

Agreed Report

- A planning application has been lodged with Galway County Council to improve safety at school collection times. In the interim please be extra careful and mindful of children getting to cars. Please reverse park leaving sufficient space for children to pass safely between cars and the school wall at 3 o'clock and in the morning.
- The new security intercom system installation is completed and when visiting the school or collecting children during class time, please press the buzzer on the wall by the door for assistance.
- Thank you to the Parents Association for funding the cost of transport for the recent ice-skating trip for pupils which they greatly enjoyed.
- Best wishes to Marty & Margaret Farragher on their retirement and thank you for the welcome afforded to pupils during their Áistear visit to the post office. Wishing you good health & happiness and thank you for your support and service to the school over many years.

Yours sincerely,

Gráinne Nolan

Secretary to the B.O.M.
